

Dear Craig,

Thank you for such a well managed and professional job you did compiling thepocketbook.biz website for us. In the 2 months since its launch, we have had in excess of £4,000 turnover from it, with a significant proportion of new business, indicating it is functioning well.

Throughout the web creation project, you were contactable, easy to work with, responsive to our ideas and brought a positive attitude to the task. All deadlines were met and all at a very affordable rate.

We would be pleased to recommend your services to any other business or organisation who might be requiring a web designer, indeed, when we need further web design services, we will be in touch ourselves.

Many thanks once again for your contribution to The Pocketbook's development

Best wishes
